High quality, exciting Fairy Tale Adventure Books, made to thrill your children.

Who produced these amazing books?

Hi, my name is Simon Creedy and together with my wife Shoko we have written and published a completely new set (6 books) of never before told Children's Fairy Tales, produced and printed in a colourful and glossy large square format with each book containing around 50 pages of amazing fun and adventure.

These stories have been designed to be dramatic, colourful and joyful so every page portrays an exciting and imaginative element to keep your child amused and entertained from start to finish, with a moral in every story.

Here is a little peek at some of the amazing pages from these books.

Bunny is a kind and gentle young rabbit who has grown up in a poor neighbourhood.

He uses his time at school wisely, coming up with a clever invention to save the nearby towns from dangerous wolves and a fire breathing dragon.

In this not to be missed story Bunny sets off on an incredible adventure overcoming his fears in the face of danger, to try and save the townspeople and find love and true happiness at the same time.

When a snowstorm leaves a little red fox stranded, frozen and alone, a compassionate chicken rescues him, bringing him warmth and a real feeling of family. This sets off a chain of events that changes everything for the fox and his new chicken family.

In this amazing story, a little red fox works out new beginnings, builds unexpected friendships and becomes a mother.

This beautifully written, colourful story is full of love and creativity with some delightful and unforeseen twists.

Sparklewood is a magical fairy town where wonder and excitement fill the air!

When three fairies take a valuable magic crystal from the wizard's castle they manage to unleash chaos.

A gentle wolf called Rowan, a friendly squirrel named Twitch and Amber, Queen of the Fairies, join our adventure as we explore a magical world, where friendship, teamwork and love come together.

This is the story of White Donkey, a beautiful, kind and lovable animal, who comes from harsh and desperate beginnings and sets off on a quest to find a 'Magic Carrot' with healing powers.

Along the way she is guided by a number of helpful friends. This is an enchanting tale of magic, love and selflessness.

Dive into this beautifully illustrated, whimsical world, perfect for young explorers and dreamers.

In the shadow of the wicked witch Evila's dark magic, the fairy town of Sparklewood and the ancient forest around, teeter on the brink of destruction after she brings fire to destroy them.

Amidst this chaos, Twitch, a spirited, baby red squirrel, who has lost his family to the witch's fire, is helped by Amber, the benevolent queen of the fairies.

As Twitch regains his strength, fate leads him to a final encounter with Evila.

Dive into the depths of Atlantis with Andi, a fiery young mermaid with hair as vibrant as the ocean's sunset.

Together with a playful dolphin named Flow, they explore the beautiful underwater realm where they meet a lost whale, a school of sea horses and also stumble upon a sunken pirate ship.

Andi's birthday celebrations are in danger of being spoiled, as she discovers the true meaning of courage and friendship.
